Welcome to St Alban's Church

If it's your first time with us, welcome!

Everything you need for the service will be shown on the screens at the front, or if you prefer to read from a paper they're also on the service sheet you were given as you came in. There are refreshments after the service, so we hope you can stay for a few minutes to meet us. Please ask the team at the welcome table if you have any questions.

Harvest Bring and Share meal: Sunday 9th October

On 9th October we'll be celebrating Harvest, with all food donations going to the Ashmore Park Pantry.

And on that same day, we'll be having a bring and share meal after the service. Please sign up on the list at the welcome desk to say what you will be bringing.

Saltmine Theatre Company: The Liberator, Sat 24th September

Saltmine Theatre Company will perform The Liberator at Christ Church Tettenhall Wood.

In a city just like yours, hope is in short supply. Politicians are corrupt, power overthrows justice, and hypocrisy and cynicism seem to be in the very air and in the bloodstream. Yet when a strange man comes to town, peculiar things start to happen: the sick rise from their beds, the dead live again, and people lost to addiction and their own desires are suddenly freed. But who is he? And how long before the powers that be crack down on this subversive, this radical, this 'Liberator'?

Inspired by the work of Rob Lacey and told in his memory, The Liberator is a passionate retelling of the Gospel of Matthew.

Saturday 24th September at 7.30pm at Christ Church Tettenhall Wood, Wolverhampton (WV6 8NQ)

Tickets: £10

Saturday 8th October at 10am – Litter Pick and Wednesfield in Bloom tidy-up day

Come and help make Ashmore Park a tidier place. If gardening's your thing, you can help week and clear up the W-I-B (Wednesfield in Bloom) planters, and maybe plant some bulbs for the spring. Or if you don't have green fingers, you can join those of us who will be picking up litter around the estate.

Meet outside church around 10. Bags, gloves, litter pickers and other tools provided – or bring your own.
